BOAT RACERS

BATTERY OPERATED RC SPEEDBOAT

KEEP THIS PACKAGE FOR REFERENCE AS IT CONTAINS IMPORTANT INFORMATION.

BATTERY INSTALLATION

Operation requires 6 "AA" 1.5V batteries (not included) for the Boat and 2 "AA" 1.5V batteries (not included) for the radio controller.

- Carefully remove items from package.
- Locate the battery compartment by unscrewing the top portion of the boat from the base. Remove the top portion.
- Unscrew the battery compartment door to install batteries.
- Insert 6 "AA" 1.5V batteries according to the polarity diagram located on the battery tray (Fig. 1).
- Replace the battery compartment door. Replace the top section of the boat.
- Securely fasten by screwing down the top cover.
- Slide open the battery compartment door of the controller (Fig. 2).
- Insert 2 "AA" 1.5V batteries according to the polarity diagram.
- Replace the battery compartment door.
- Replacement propellers are provided. To replace please carefully remove the damaged propeller from the motor shaft. Replace with new propeller by pressing firmly into place.

SAFETY PRECAUTIONS

- Do not operate during thunderstorms or rain.
- Operate only in swimming pool or fresh water.
- Avoid salty ocean water, as this will corrode boat parts.
- Never submerge remote control in water.
- Never operate boat without proper adult supervision.
- Disconnect battery when not in use to avoid accidental operation.
- Do not use people or animals as obstacles inside pool.
- Do not run boat into pool walls, objects or other hard surfaces, as this will cause damage to the boat.
- Keep fingers, hair and loose clothing away from the spinning propellers while the boat is operational.
- Do not leave boat or remote control near sources of heat or under direct sunlight for extended periods.
- Do not leave boat or remote control outside overnight.
- Always remove boat from water when not in use.

NOTE: Keep hair, fingers and clothing away from the twin propellers.

RC OPERATING CONTROLS

BATTERY WARNING:

- Do not mix old and new batteries.
- Do not mix alkaline, nickel cadmium, or rechargeable nickel cadmium batteries.
- Handle batteries using the correct polarity. Do not short circuit the positive terminal.
- Remove batteries when not in use. Remove or disconnect external terminals according to correct polarity and use the correct polarity.
- Do not use batteries in a fire or other high heat situation.
- Do not use batteries in a fire or other high heat situation.
- Do not use batteries in a fire or other high heat situation.

SAFETY WARNINGS - PLEASE READ BEFORE USING PRODUCT

- Not recommended for children under 6 years of age. As with all electrical products, precautions should be observed during handling and use to reduce the risk of electrical shock.
- It is recommended that this toy and all accessories be periodically examined for potential hazards and that any potentially hazardous parts be repaired or replaced.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARNING: Changes or modifications to this unit or equipment operated by the user are prohibited. Repairs should only be made by the user's authorized service representative. The device complies with the FCC's Part 15 FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
